KOREATOWN

Where Creativity Meets Culture, A True Urban Experience.

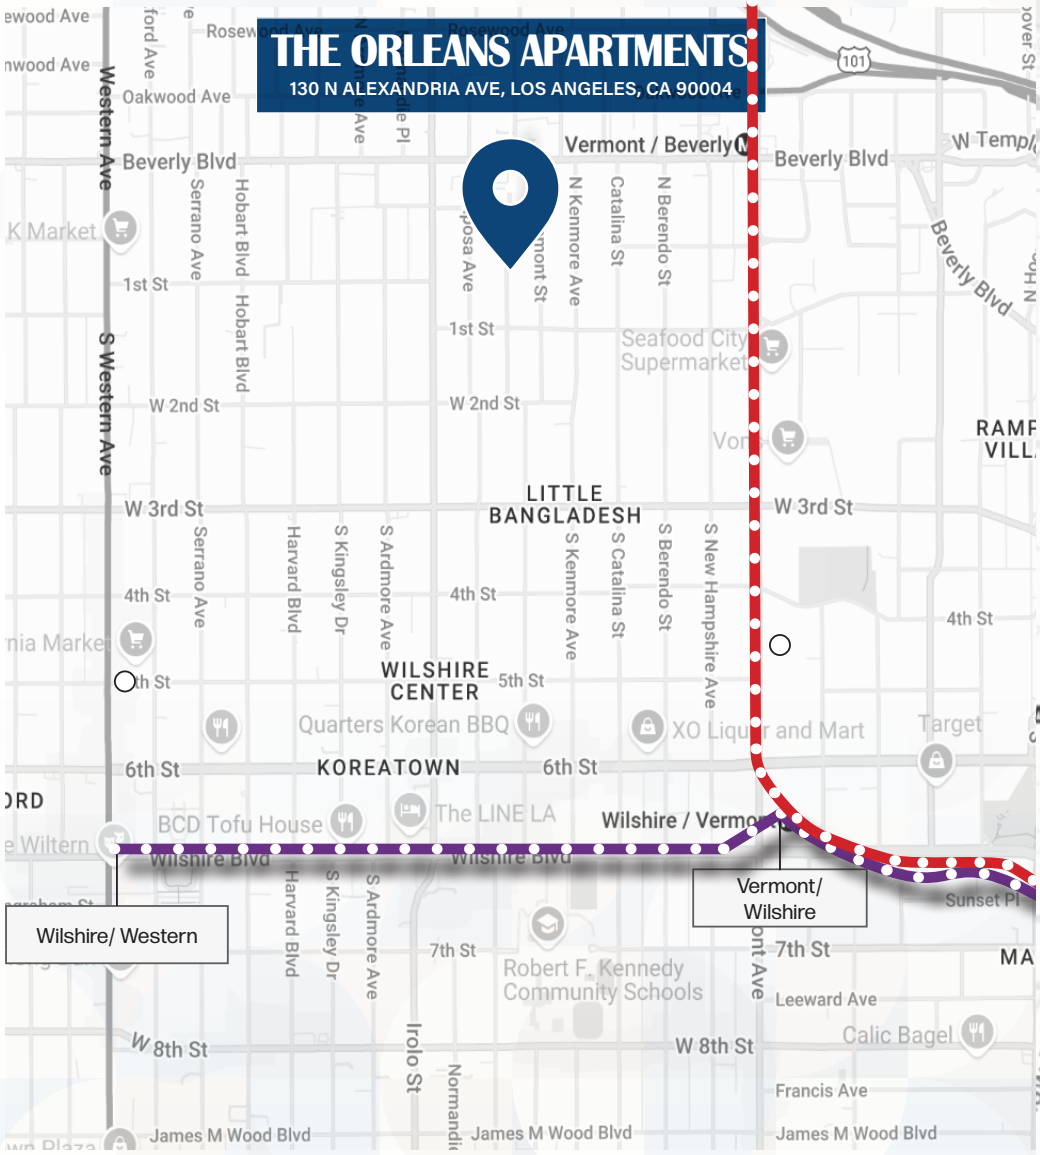

The Orleans Apartments are located within walking distance to prime Koreatown, one of the trendiest neighborhoods in Los Angeles. Boasting its walkable proximity to the Vermont/Beverly metro stop as well as a 10 minute drive to the heart of Downtown Los Angeles, the subject property is provided with great transit options to experience the best the Greater Los Angeles area has to offer. Located in a premier pedestrian location, the asset benefits from easy access to employers, major studios, financial firms, entertainment and historic attractions.

Koreatown has seen a tremendous revitalization over the last decade. An influx of capital dedicated to the revitalization of Koreatown has attracted a new resident base of young urban dwellers. This new, hip client base has brought new restaurants, night clubs, and retail opportunities, making Koreatown one of the more desirable submarkets in the greater Los Angeles area.

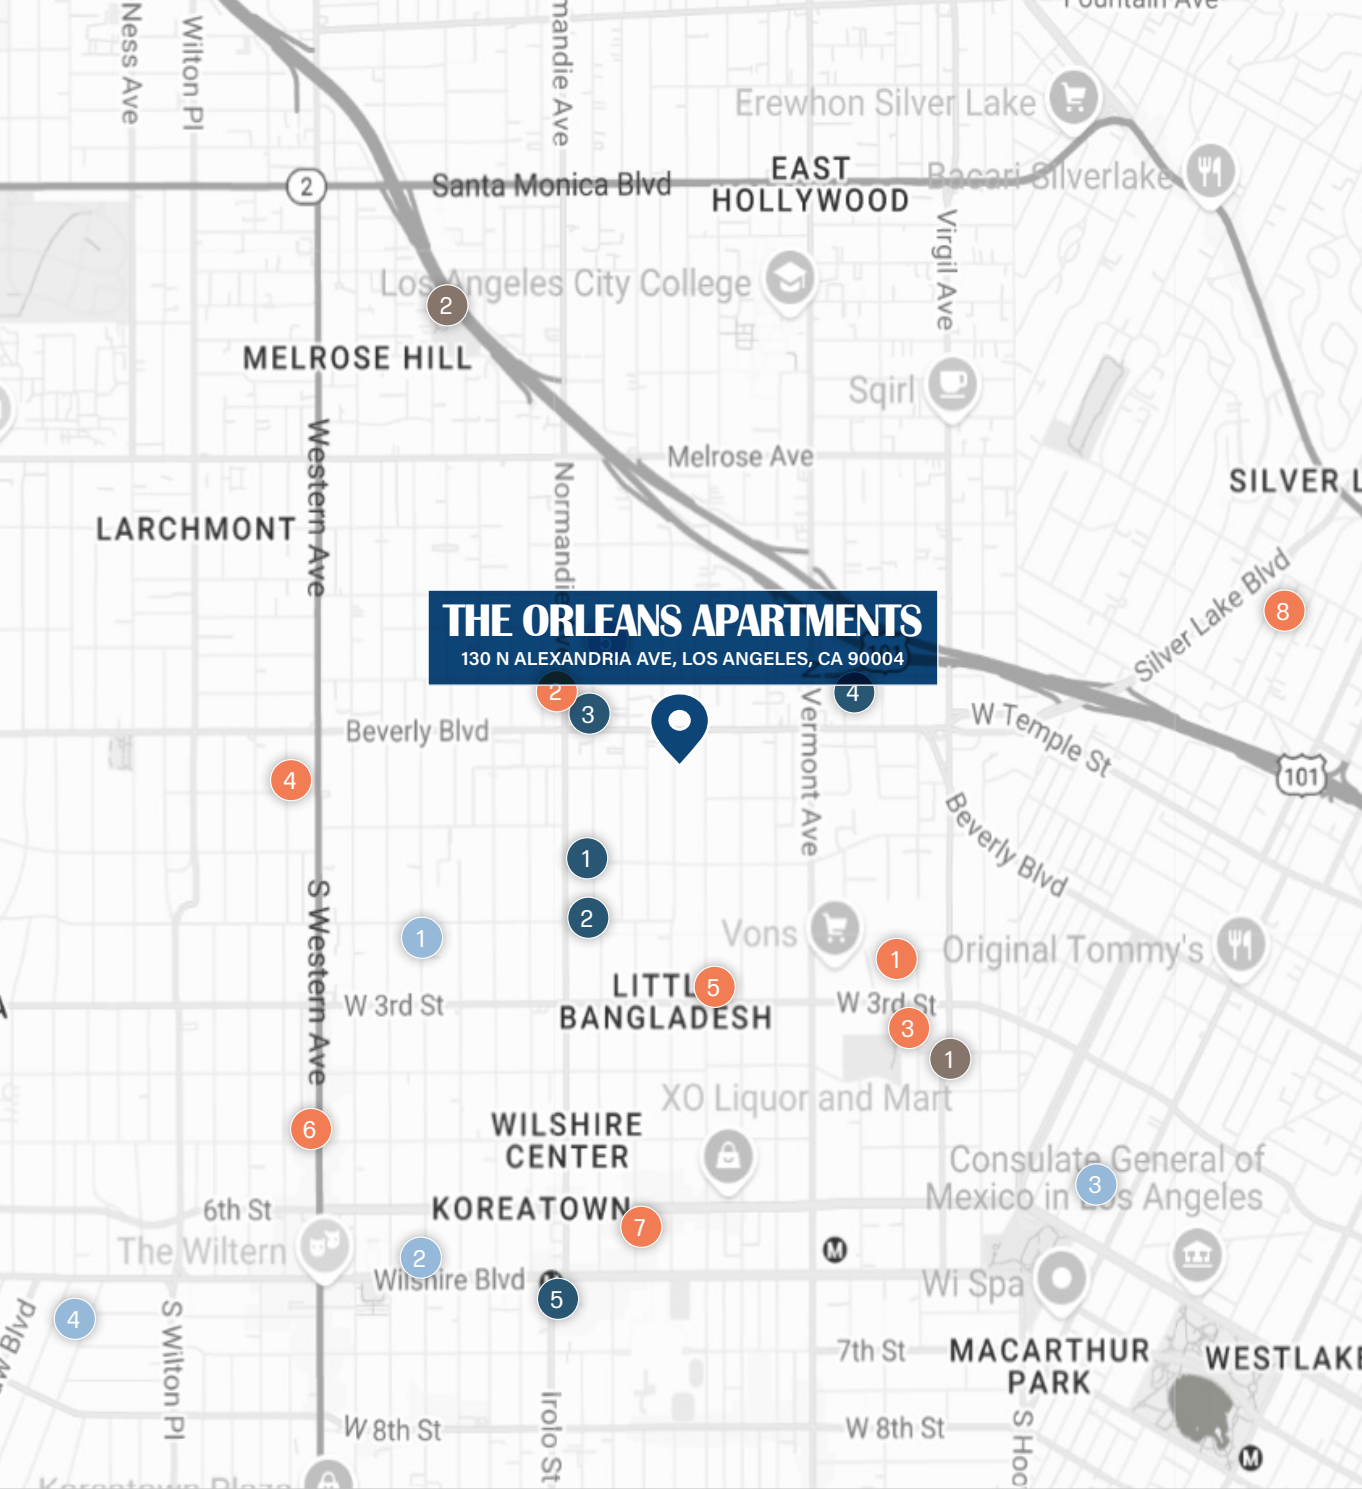

In the past decade, Koreatown has experienced significant gentrification and development, specifically along Wilshire Boulevard. Most notable is the Vermont, a 462-unit luxury apartment with over 30,000 SF of retail and 600 covered parking spaces.

Additionally, residents are given convenient access to the Red and Purple Metro lines. The Red line offers service from the North Hollywood Arts district all the way to Union Station in Downtown LA. The purple line is currently undergoing an extension and once completed, will offer service to the current terminus at Wilshire/Western will extend westward for about nine miles and add seven new stations providing easy access to the Westside.

For the younger cohort, Hollywood also offers an endless amount of bars, chic lounges, and exclusive dance clubs to enjoy. National retailers and original boutiques that line Hollywood Boulevard offer the latest fashions. On Sundays, The Hollywood Farmers Market provides fresh produce and prepared foods. HOLLYWOOD

Voted Forbes' Hippest Neighborhood and built around a city reservoir, Silver Lake is well known for its trendy restaurants, nightlife, and avant garde Modernist architecture. Since the end of 1990's the area has also been the center of LA's indie and alternative music scene. Silver Lake has long been a preferred community, but approximately 15 years ago when gentrification began in earnest, home values and rents have sharply increased.

KOREATOWN

Long celebrated for its art deco architectural heritage and immigrant community, today Koreatown has emerged as one of Los Angeles' most fashionable areas. As the densest part of Los Angeles, new residents flock to this neighborhood just west of Downtown to enjoy walkable amenities, fabulous restaurants, and recently opened boutique hotels like the Line and Normandie. The Metro Purple Line traversing Wilshire Boulevard in the heart of Koreatown will further attract new residents. Thanks to Korean and Latino immigrants, the area is dotted with highly rated ethnic eateries.

DOWNTOWN LA

The Downtown submarket of Los Angeles includes its central business district, which contains the nation's third largest employment pool. Additionally, this submarket features many major sports facilities, sightseeing opportunities, skyscrapers, and large multinational corporations. Downtown is also the hub of the city's freeway network and Metro rapid-transit system. LA Live is one of downtown's most innovative developments featuring sports and music venues, nightclubs, restaurants, a bowling alley, a museum, and movie theaters.
