PRIME ECHO PARK LOCATION

Situated in the heart of Echo Park, 1915 Park Avenue offers residents immediate access to one of Los Angeles' most vibrant and evolving urban neighborhoods. Known for its eclectic character, strong community identity, and creative energy, Echo Park has become one of the city's most desirable residential enclaves for young professionals, families, and long-term Angelenos alike.

The property is positioned just minutes from Downtown Los Angeles, Silver Lake, Los Feliz, and Hollywood, providing seamless connectivity to major employment hubs, retail corridors, and entertainment destinations. Echo Park's highly walkable environment is anchored by Sunset Boulevard's mix of boutique retail, acclaimed dining, nightlife, and daily conveniences, creating a lifestyle-driven rental market with strong demand.

Residents benefit from proximity to iconic amenities including Echo Park Lake, Elysian Park, and Dodger Stadium, along with easy access to multiple Metro lines and major freeways including the 101, 110, 2, and 5.

Driven by continued retail expansion, transit-oriented growth, and limited housing supply, Echo Park continues to demonstrate strong rental fundamentals and long-term appreciation potential, reinforcing its position as one of Los Angeles' most compelling multifamily submarkets.

ECHO PARK IS BOOMING

200,000+ square feet of retail space is currently in development with new retailers like Lassens opening on Sunset Blvd, and the newly completed Mohawk Collective, offering Starbucks Reserve and The Habit Burger Grill, amongst others.

LOCATION FUNDAMENTALS

Millennials have ditched the suburbs for a more active and dynamic urban lifestyle. Many don't own or want to own cars, so they rely on walking, biking, Metro or Uber. There is a limited supply of housing in Los Angeles, and especially in Echo Park, which is causing upward pressure on rents. Research firm Axiometrics projects rental rates are to increase by 25% over the next five years.

MOST SEARCHED NEIGHBORHOOD

Echo Park was rated the "Greatest Neighborhood in Los Angeles." It's a stone's throw from Chinatown, a short bike ride from downtown L.A., Silver Lake and Los Feliz. It's also surrounded by four major freeways: The 5, The 2, The 110 and the 101. That makes for a quick jaunt to the Arclight in Hollywood, The Americana in Glendale, or even USC. It is also home to one of the largest public parks in the city — Elysian Park and the beautifully restored Echo Park Lake.

URBAN LIVING WITH WALKABILITY

As one of the hippest neighborhoods in Los Angeles, Echo Park is a highly walkable submarket. Residents can travel on foot to complete their daily errands and stroll to the many restaurants and clubs that make up Echo Park's vibrant nightlife. Walkscore.com cites the subject properties as "Very Walkable — Most errands can be accomplished on foot." Echo Park is Rated A+ in Amenities by Area Vibes.

NEW YORK IN LA

With its close proximity to a multitude of public transportation options and its incredible "walkability", Echo Park residents have an East Coast feel in Los Angeles. LA residents now have a greater choice in where they live while still being connected to major employment hubs. Residents at the subject property are adjacent to the Metro Bus Local Line, with connectivity to other metro rail lines and surrounding submarkets like Downtown LA, Hollywood, Studio City, North Hollywood, Culver City, Santa Monica, and Pasadena.

AFFORDABILITY GAP – BUY VS. RENT

The median neighborhood home price is approximately \$975,000 making home purchases out of reach for most local renters. Renting at the subject property offers tenants a modern, sophisticated alternative at a fraction of the cost of home ownership. This disparity is a leading reason behind high occupancy and demand throughout the marketplace.
